Virtual Orientation

Our offering allows new hires to complete their orientation from home.

- We develop a microsite that stores your new hire orientation documents and allows new hires to attest they have reviewed the documents.
- We provide you a list of names of those who have completed the process.
- We'll help compile your existing orientation forms and documents, guidelines, procedures, PowerPoints, and training videos that are required as a part of the traditional new hire orientation.

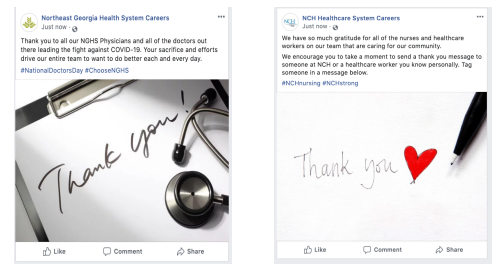

Engage with current staff \$1,500

Thank You Post Series

A thoughtful series of 1 post a week on what's happening at your hospital – i.e. bringing in food, donating supplies, other unique stories (4 weeks incl.)
